COST ES1404 Gap analysis

Dear COST ES1404 HARMOSNOW Participant!

In order for us to better understand what you -as a participant- have gained during the meetings, workshops, conferences, schools and short-term scientific missions organized by the COST ES1404 HARMOSNOW Action (Action in the following) and by being part of the Action itself, we would like to ask you to fill out this short questionnaire! We will use the results in the final report of the Action.

* Required

	at is your main field of work related to snow? * rk only one oval.
	Climate research
	Hydrology
	Weather prediction
	Avalanche science
	Other:
5. W h	at are the main methods you are using during your research? *
	Itiple answers are possible. eck all that apply.
	Developing models
	Applying/using models
	Field measurements
	Laboratory measurements
	Remote sensing
	Other:
Mu	ST Action ES1404? Itiple answers are possible. eck all that apply.
	Yes, as an MC, WG member
	Yes, by taking part in an STSM
	Yes, by taking part in the Training School organised in Bormio
	Yes, by attending COST meetings (Conferences, workshops, WG meetings, etc.)
	Yes, by receiving an ITC Grant
	Yes, by the material found on the webpage <u>harmosnow.eu</u>
	Other:
	nere is no improvement in the situation of your snow research work, what could be the son? What could COST contribute to improve the situation?

I'm a WG and/or MC member

8. Please list opportunities you gained and achievements you realized within the network of the Action! Multiple answers are possible.
Check all that apply.
New collaborations where we have already started working together on a project
New future collaboration possibilities
Research done together with partner(s) from the network
Paper/poster together with partner(s) from the network
Grant application submitted together with partner(s) from the network
Opportunity to present/advertise own research
Opportunity to discuss own research with fellow experts
Opportunity to take part in conference(s)/workshop(s)
Possibble future job opportunity
Other:
Did you gain any of those honofits by participating in the Action?
 Did you gain any of these benefits by participating in the Action? Multiple answers are possible. Check all that apply.
Confidence increase in own work
Justification for own research
Motivation for own research
Multidisciplinary views, ideas
New research ideas
Personal contacts
Knowledge gained, new skills learnt
Knowledge passed over
Other:
0. If you clicked any of the boxes in the previous two questions, please give some details!
11. If you think you haven't gained/achieved or benefited anything within the network, please explain why do you think this happened!

Yes No Maybe 3. If not, why not? (e.g. financial reasons, lack of opportunity, lack of contacts, etc.) 4. If you wrote or plan on writing a paper/report/poster based on research where the collaboration was built through the Action's network, what is it/will it be about? If already published, please give references! If not yet published, please briefly describe the topic. Attook part in one ore more conference/workshop/conference essions organised by the Action 5. How important was the conference/workshop/conference session in your research work Mark only one oval. 1 2 3 4 5 Could have easily done it without it as well Very important 6. Please list opportunities you gained and achievements you realized by taking part in one or more conference/workshop/conference sessions organised by the Action! Multiple answers are possible. Check all that apply.
