Vienna International Airport (Schwechat) (www.viennaairport.com)

Transport between Vienna Airport and City Center of Vienna (to continue to Hotel Kaiser Franz Joseph or ZAMG, see Point C).

Train (S-Bahn, RJ and IC)

The cheapest way from the Vienna Airport to Vienna is to take an ÖBB train (S7, RJ, IC) to the station “**Wien Mitte**” or “**Wien Hbf**” at EUR 4,60-. A two-zone ticket is necessary (the ticket is also valid for transport in Vienna by underground/tram until you reach your final destination). S7 trains to “Wien Mitte” leave half-hourly, taking 25 minutes. (www.oebb.at)

Train (CAT= City Airport Train)

Alternatively to the above mentioned trains, there is a non-stop train (CAT), running also half-hourly, taking 16 minutes at EUR 11,- one-way (EUR 17,- with return), also to “**Wien Mitte**”. A ticket for the underground/tram will have to be purchased in addition. (www.cityairporttrain.com).

Bus (Airport Bus)

The airport bus station is in front of the arrivals hall of the Vienna Airport. You can take the bus either to Westbahnhof, Wien-Meidling or Schwedenplatz. Tickets can be purchased in the bus (EUR 8,-). If you wish to continue your way to the ZAMG or a Hotel near the ZAMG, we suggest taking the bus to “**Schwedenplatz**”. A Ticket for the underground/tram will have to be purchased in addition.

Taxi

There is a very good taxi service from the airport. The airport is located approximately 20 km from the Center of Vienna. However, taxis are expensive, so bus or train is recommended.

Tourist information and tickets can be obtained at the information counter in the Arrivals hall of the airport, after leaving the customs control. Tickets can also be purchased from the machines located at the train station (Euro change required).
